

The New BCFCA Insurance Program

Member Pricing

BCFCA members save big on liability premiums, because they only pay a 'flat' fee for each location, rather than being rated based on total gross revenue.

Example

A retail flooring store with \$2M in annual sales and 10% installation receipts:

Standard Market Liability Pricing:
\$2,500 - \$4,000 Annual

BCFCA Member Liability Pricing:
\$950 Annual
