

You may not be aware but there is an alternative to accessing a doctor, instead of spending long periods of time in the doctor's office. Telus Health offers virtual health care to all residents in the province of BC through Babylon. This is accessible and affordable for everyone through the convenience of a smartphone app.

See a BC-licensed doctor **at no cost to you (BC residents covered by BC MSP)** for many health and wellness concerns such as:

- Digestive issues
- Rashes and other skin issues
- Respiratory infections
- Allergies
- Prescription renewals

Get started today

- Download the app from the App Store or Google Play and register with your details and BC MSP Health Medical ID No.
